### Boxes for Soldier Boys.

The mothers of the members of Co. E and a number of local friends are making arrangements to send Thanksgiving boxes to the boys on the border. Contributions of candies and cigars from the gentlemen will be collected at the Hoffman cigar store not later than Thursday and it is hoped that the local people will remember the boys generously and assist in making a happier Thanksgiving for them. Information in regard to the boxes of provisions can be obtained from Mrs. J. J. Halligan who is packing a large one for Captain Halligan. Meats, candies, fruits, jellies, pies, cakes, puddings and cigars will be very acceptable and prove very enjoyable to the young men who are obliged to be away from home on Thanksgiving Day.

### Rescind Crossing Order.

The order made a year or more ago requiring all trains to come to a dead stop before passing over the Locust street crossing has been rescinded. The company claims that these stops caused too much delay in the movement of trains in and out of the yards, and this is probably true these days when the yards are so congested with cars.

Two elevated signs have been erected at the crossing, facing each way, which read as follows: "Warning! Do not cross tracks unless you get signal from watchman. Trains will not stop for crossing on three south tracks. Safety First."

### ATTENTION OF LOCOMOTIVE ENGINEERS, FIREMEN AND OTHER RAILROAD MEN.

If you live east of Maple street and on the south side of the railroad, you are further away from your work than if you lived in the Buffalo Bill Sub-division. In other words, the Buffalo Bill Sub-division is only seven blocks from the round house. Here you can have a block of ground for less than a city lot will cost you down town, and you can practically make your living during your odd times.

### Lutheran Supper.

The Lutheran ladies will start to serve their chicken and waffle supper at 5:30 tomorrow evening, Nov. 22, at Masonic hall. The menu is as follows: chicken fricassee and waffles, mashed potatoes, cabbage salad, cranberry jelly and celery, bread and butter, cake and coffee. Price per plate 35 cents. The public is cordially invited. A large collection of fancy articles will be on sale at the booths.

### Bound Over on Two Counts.

In the county court Saturday Myrtle McClellan and Jim Erskine were bound over to the district court on two counts, one for keeping liquor and offering it for sale, the other for selling liquor. Bond of \$200 for each on each count was required and personal recognizance was accepted. In the district court the pair will now need defend themselves on three counts.

Over \$1800 worth of Dodge repair parts in stock for the service of Dodge owners in this territory—yet never an axle, shaft, gear or any important part of a Dodge car replaced—but if you ever need them, we have them here for you. That is real service, can you get it elsewhere. Think it over well before you buy your car.

J. V. ROMIGH, Mrs. Tina Sparks died at her home on east Fifth street at nine o'clock Saturday evening of tuberculosis, with which she had suffered for several years. Mrs. Sparks was born in West Virginia, Sept. 9th, 1876, and came here recently with her husband who is employed with the Star bottling works. The funeral will be held from the Presbyterian church at 2:30 this afternoon and interment will be made in the North Platte cemetery. During her residence here Mrs. Sparks had made many friends. She was a member of the Presbyterian church.

"Kindling," the play that made such a tremendous hit when it toured several years ago will be shown on the screen at the Crystal Thursday night, with Charlotte Walker as Maggie. This is a Paramount feature.

The Hahter building on the east side of Locust is being painted and pointed, which it is unnecessary to add will enhance its appearance. We may have too much pride in the town and blind to some of its shortcomings, but we think when painting is completed on Dewey and with not a wooden building on the street, we have good reason to feel proud.

### The Man Cure.

Robert W. Chambers, the novelist, said in an after dinner address in Brooklyn:

"A modern girl, one of those pretty, vote chasing, white modern girls who ride astride, swim in men's swimming suits, smoke cigarettes and read Wells and Shaw—a modern girl of this type repined one day at a tea because she could not be an aviator in the army."

"Oh," she sighed, blowing a cloud of cigarette smoke from her pretty lips—"oh, if heaven had only made me a man!"

"Heaven did, my dear," said a placid matron, "and you'll find him some day, and then all this new thought nonsense of yours will cease forever."

### Notice.

Edgar Johnston will take notice that on the 6th day of November, 1916, P. H. Sullivan, a justice of the peace of North Platte Precinct No. 1, Lincoln county, Nebraska, issued an order of attachment for the sum of \$13.35 in an action pending before him, wherein Mrs. Nellie Potter is plaintiff and Edgar Johnston defendant; that property consisting of money in the sum of \$10.55 in the hands of the Union Pacific railroad company, a corporation, has been attached under said order.

Said cause was continued to the 29th day of December, 1916, at ten o'clock a. m.

Dated Nov. 18th, 1916. n21-48 - MRS. NELLIE POTTER, Plaintiff.

### Alliance Proves a Joke

The much touted Alliance football team, which had defeated the Sidney team seventy-three to nothing, put it over the Chadron normal by a big score and put the Scotts Bluff team out of business, proved something of a joke when pitted against the North Platte team last Friday on the local field. The Alliance team proved by far the weakest team North Platte had gone up against this season, the score standing eighty-five to nothing. The left half of the Alliance team played a star game, but outside of his work the visitors were very weak. However, notwithstanding the heavy score against them, the visitors did not lose their "pep," they willingly did their best in face of the fact that their best efforts were futile. Near the close of the fourth quarter Coach Baskins sent in the second team to finish the game and the youngsters showed up strong.

In the evening the Alliance team and the local squad were the guests of Manager Garman of the Keith at the photo play of the Nebraska-Oregon football game.

The Christian aid society will meet Thursday afternoon in the church basement. A large attendance is desired.

### Trees in Winter.

As Lincoln walked with Noah Brooks one snowy day he said he liked the trees best in winter because then he saw them clearly in all the details of their structure. So men are not fully understood unless we have seen them in periods of leafless revelation. The bright promise of the leaf and the first color of the fruit may deceive. Autumn and winter are the periods of proof.—Tree Talk.

### Different Opinions.

Professor—Why did you come to college, anyway? You are not studying. Will Rarab—Well, mother says it is to fit me for the presidency; Uncle Bill, to sow my wild oats; sis, to get a chum for her to marry; pa, to bankrupt the family.—Puck.

### Stirrups.

William the Conqueror introduced horseshoes into England. Stirrups were, however, unknown to the ancients, who had posts erected on their roads to enable horsemen to mount.

## Mutual Building & Loan Ass'n.

OF NORTH PLATTE, NEBRASKA.

**ASSETS \$840,000.00**

To Prospective Building & Loan Borrowers;

Non-resident Building & Loan Companies are advertising the fact that they have reduced the monthly payments of borrowers to \$1.10 per month on each \$100.00 borrowed, making the monthly payment the same as the Mutual Building & Loan Association of North Platte. They fail to state that of the \$1.10 paid to the non-resident company, there is only thirty-five cents credited as a principal payment, the balance seventy-five cents being taken for interest. Of the \$1.10 monthly payment to this association on each \$100.00 borrowed sixty cents is for interest and fifty cents is credited as a principal payment.

This difference in the amount credited the borrower will result in the borrower in the non-resident company being compelled to pay not less than \$25.00 more on each \$100.00 borrowed in order to discharge the debt than they would if they were doing the business with this Association.
